

Meet Dr Ted Purcell

Dr. Ted Purcell was born in Edmonton and spent his youth living across Canada. He studied Veterinary Medicine in Guelph, Ontario at the Ontario Veterinary College. Upon graduation in 1982, he returned to Edmonton to join the staff of the Hermitage Veterinary Hospital. In June 2013 he celebrated over 30 years of caring for pets in Edmonton and surrounding area. He is pictured here with his cat Lexy. He also has two

dogs named Chance and Paige. Dr. Purcell has special interests in Dermatology and Traditional Chinese Medicine. He studied acupuncture for pets in 1997/98 and was subsequently certified by the International Veterinary Acupuncture Society. He has also studied herbal medicine and travelled to China in April/2011 to further his knowledge in acupuncture and herbal medicine. When not caring for pets at the Hermitage Veterinary Hospital you will find him volunteering in the community. He has volunteered in a number of capacities with the Edmonton Humane Society for four decades. Currently he appears for the Humane Society on the Global Morning Show at 8:45 AM on Wednesday mornings. He is Past Chairperson of the Glenrose Rehabilitation Hospital Foundation. Over the years he has also coached community basketball for the North East Basketball Association. Dr. Ted Purcell looks forward to meeting you and your pet at the Hermitage Veterinary Hospital.
